About Chalet Flocon Magique ...

This fabulous spacious 5 star chalet in St-Jean-de-Sixt will make the perfect base for two or three families looking for a great base in the mountains.

Sitting above the village, Chalet Flocon Magique has fabulous views on all sides, and is surrounded by fields where children can play safely. Halfway between the Lake Annecy ski resorts of La Clusaz and Le Grand Bornand, you really couldn't pick a better location for a great holiday.

There's plenty of room for up to 12 people (9 adults), and two of the bedrooms are on the ground floor, making it suitable for those with limited mobility.

Facilities, too, are second to none - there's a fabulous spa room with a sauna and state-of-the-art 5.5m counter-current pool, which is powerful enough to give even the most serious athlete a challenging workout, while still allowing families to relax in the jacuzzi section. It even filters and cleans its own water, changing the entire contents of the pool at least twice an hour!
